Instructor: Janet Jones, an accredited Training Fellow of the Orton-Gillingham Academy, has over 40 years of experience with the Orton-Gillingham approach, working with struggling readers of all ages. As an independent consultant, she has trained teachers throughout the country and presented at regional and national conferences. She has been a special educator in the public schools and a language department head at schools serving the dyslexic population. She has a B.S. in Speech and Language Pathology from Northwestern University and and M.A. in Learning Disabilities from the University of Wisconsin, Madison. Janet is the creator of Moose Materials, Manipulatives and Games to enhance Orton-Gillingham instruction.
